## Verse 1

**G C F C/E**  
We were once in darkness bound by night,  
**Am7 G C/E F**  
Were wandering sheep without the light,  
**G C F Am7**  
In ignorance and unbelief.  
**Am7 Fadd2**  
But now through Christ  
**Dm7 C/E Fadd2**  
We have a home and sing:

## Chorus

**G/B C**  
Christ, our hope, our hope,  
**G/F C/E**  
Christ our living hope  
**G/B C**  
Brings life and peace  
**Dm7 C/E F**  
Gives strength in need.  
**G C**  
Christ, our hope.

## Verse 2

**G C F C/E**  
Though we cannot see him now by sight,  
**Am7 G C/E F**  
Our hearts are filled with true delight.  
**G C F Am7**  
Salvation now through faith is ours.  
**Am7 Fadd2**  
And as we wait  
**Dm7 C/E Fadd2**  
To see his face we sing:

## Verse 3

**G C F C/E**  
As we work each day for what is right  
**Am7 G C/E**  
And suffer under this world's Dmight,  
**G C F Am7**  
We look to Christ; to this we're called  
**Am7 Fadd2**  
Beneath our Father's  
**Dm7 C/E Fadd2**  
Gaze of grace we sing:

## Verse 4

**G C F C/E**  
So entrust yourself to God alone,  
**Am7 G C/E F**  
Cast all your cares before his throne.  
**G C F Am7**  
Our Shepherd cares for all his own,  
**Am7 Fadd2**  
He will restore,  
**Dm7 C/E Fadd2**  
Confirm, and strengthen you.
