Verses 1-2

now de-clare with you, O God, what you re-veal is true: Our
now con-fess to you, O God, our an-ger lust, and pride; Our

sin is great, our Sa-voir strong, sal-va-tion comes from you. We
care-less words, our prayer-less days, our i-dols and our lies. We

wan-der far, we go as-tray, O how we love our ways. Your
sin in thought, in word and deed, O Lord, how great our need: We

lov-ing hand now brings us nigh, O hear us now, we pray! O
need the Son of right-eous-ness to save and set us free.

Chorus

Fa-ther, I have sinned! I grieve the Lord of grace. O please for-give me,

raise me up to walk with-in your ways. 2. We
